Deathrow Kitchen Allergens Statement

PLEASE ALWAYS CHECK OUR ALLERGENS MENU BEFORE YOU PLACE AN ORDER. The dish descriptions on our menus may not mention every ingredient in a dish. Even if you have had a dish before and deemed it safe, our suppliers, ingredients and, therefore, the allergen information may also change between visits. Whilst we have strict controls in place to reduce the risk of cross contamination, please be aware that our kitchens handle numerous ingredients containing allergens. For this reason we cannot guarantee that our dishes will be 100% allergen-free. Please be aware of the risks before you order. Allergies and specific dietary requirements are taken very seriously at Deathrow Kitchen. Please speak to a member of staff if you have any concerns before ordering.
